This is signified with "I-COVID" on the transcript. Students have the first semester of SY 20-21 to complete work and remove that incomplete. If they do not complete work, the grade will change to an "F". Beginning SY 17-18, Paul Laurence Dunbar transitioned to Standard Based Grading; therefore, percent grades are no longer calculated and will not be on the transcript from SY 17-18 forward. Prior to SY 17-18, the percent format will remain on the transcript as it was originally posted. Dual Credit courses use the college grading scale and will show percentages. Technical center and grades posted from other high schools may show percentages, depending on how the school originally reported the grade.
