Class Rank

HTEA does not compute class rank due to highly selective admissions, small class size, and demanding curriculum.

GPA Note

Starting with the 2019-2020 school year, HTEA implemented a 4.0 grading scale following a year-long study to better align HTEA's grading scale with those of colleges and universities. As a result, all student GPAs have been recalculated to align with the new scale, which is reflected in all years on the transcript.
